

## Conditions of Sale

Relating to the Sale by Auction of Veteran, Vintage, Classic Motor Vehicles, Automobilia and Memorabilia

### 1. CONDITIONS OF SALE

All lots will be offered for sale subject to these conditions of sale for Veteran, Vintage and Classic Vehicles, Automobilia and Memorabilia.

2. Dorset Vintage & Classic Auctions Ltd (DVCA) act as agents for the seller of each lot and shall not be party to or liable in any manner whatsoever on any contract of sale between the seller and the buyer.

### 3. BIDDING

- 1) The highest bidder for each lot shall be the buyer thereof and their bid shall be the final bid price subject to any reserve price imposed by the seller and subject to the following conditions.
- 2) DVCA may without giving any reason, therefore refuse to accept the bidding of any person or persons.
- 3) In the event of any dispute arising as to the bid or bidding, the lot in respect of which the dispute arises shall immediately put up for sale again at the last undisputed bidding, or, at DVCA's discretion, the dispute may be determined by DVCA and in that case their determination shall be final and binding.
- 4) No person may advance less as a bid than the sum named from time to time by the auctioneer.

### 4. SELLERS

- 1) Sellers may place a reserve on any lot entered by them (subject to a minimum of £500 for vehicles except motorcycles. In the case of automobilia and memorabilia, the minimum will be £100). DVCA shall have the right to bid on behalf of the seller where such a reserve has been placed.
- 2) DVCA shall have the right to withdraw any lot, or to combine any 2 or more lots, at their absolute discretion.
- 3) In the event that a seller withdraws a lot after it has been accepted for sale but before it is offered for sale, the seller must give notice in writing. DVCA shall be entitled to a cancellation fee of 15% of the reserve price or, where no reserve has been placed on the lot, 15% of the agreed valuation. In addition to the cancellation fee, DVCA reserves the right to charge for expenses, such as storage, transportation, photographs, inspection costs and any other expenses incurred.
- 4) In the event that the bidding on any lot fails to reach the reserve set by the seller, DVCA shall have the right a) to retain the lot for 7 days, b) to sell the lot at any time during the said 7 days, subject to any reserve imposed by the seller, c) to charge a commission in accordance with condition 4.(5) hereof each and every time a lot is sold within the said 7 days, whether sold by the seller or using the services of DVCA or otherwise.
- 5) DVCA shall have the right to charge a commission of 5% of the final bid price on all lots sold, subject to a minimum charge of £100 (+ VAT), or in the case of motorcycles, £50 (+ VAT). DVCA shall also have the right to charge an entry fee of £75, or £25 for motorcycles. In the case of automobilia and memorabilia the commission will be 10% of the final bid price and the entry fee will be £5. In the case of registration numbers, the commission will be 10% of the final bid price; the entry fee will be £25.
- 6) Value Added Tax will be added to all charges made by DVCA in accordance with legislation current at the time of sale.
- 7) Lots offered at NO RESERVE shall be sold to the highest bidder at the time of sale.
- 8) Insurance - Sellers are reminded that all lots are held at the sole risk of the seller until the fall of the hammer and DVCA will not accept any liability for loss or damage to any lot.
- 9) DVCA reserve the right to photograph, or have photographed, any vehicle entered for sale. These photographs, and any supplied by the vendor, will be for illustrative purposes only. They will become the property of DVCA and all copyright for said photographs will be vested in DVCA who may wish to use the photographs at their discretion, at any time, without payment to the owner of the vehicle.
- 10) DVCA shall pay the Sale Proceeds to the seller not later than 28 days after the date of the sale providing that the purchase price has been received in full by DVCA. Unless an alternative method of payment has been agreed with the seller, payment shall be made by sending to the seller a cheque drawn on DVCA's bank account by first class post at the seller's risk.
- 11) Unsold automobilia and memorabilia lots must be collected within 10 days of the auction sale in which they were entered, unless otherwise agreed with DVCA. DVCA reserves the right to dispose of unsold lots should they remain uncollected.

### 5. DESCRIPTION

- 1) All lots (including odometer readings thereon) are sold and purchased "as seen". A vehicle sold "as seen" is sold and purchased for what it is and with all its faults (if any) and without any condition, warranty or other term (whether expressed or implied by statute, common law, custom or otherwise) as to the age, description, mileage, suitability, fitness for purpose, merchantable quality or roadworthiness of the vehicle.
- 2) Every effort has been made to ensure the accuracy of the description of each lot, but these, whether made orally or in the catalogue, are expressions of opinion and not representations of fact. Illustrations in the catalogue are solely for guidance and must not be relied upon in any manner whatsoever. Many lots are of an age and nature that precludes their being in pristine condition and some catalogue descriptions make reference to damage and/or restoration. Such information is given for guidance only and the condition of any lot should be confirmed by the buyer, by examination, prior to the sale. All prospective purchasers must satisfy themselves as to the condition, colour, age and all other matters relating to any lot and no claims will be accepted in respect of any such matter.
- 3) Whilst every endeavour has been made to ensure that the items lotted in the catalogue will be available and offered for sale in catalogue order, no responsibility can be accepted by DVCA for variations and omissions due to circumstances beyond their control. Neither DVCA nor the sellers of any lot will accept responsibility for any misrepresentations, misdescriptions or omissions contained in the catalogue.
- 4) Where a vehicle is sold with the benefit of a Veteran Car Club (VCC) dating plate, or dating certificate, intending purchasers should be aware that these can, in some instances, be changed by the VCC, and therefore purchasers should make their own enquiries as to the age of the car and no claims will be accepted in the event that the VCC dating plate or certificate shows a different date to that which should apply to the vehicle.

## 6. CONTRACT OF SALE

- 1) On the fall of the hammer, a contract of sale is completed between the seller and the buyer. DVCA is not a party to the contract of sale and shall not be liable for any breach thereof by the buyer or the seller.
- 2) On the fall of the hammer, the highest bidder shall forthwith give their buyer's number to the auctioneer and shall provide details of the arrangements for payment that he intends to implement.
- 3) Title to the lot shall pass to the buyer only when the full purchase price, together with Value Added Tax if applicable, has been paid to DVCA.
- 4) Prior to the fall of the hammer, the lot shall be at the sole risk of the seller and neither DVCA nor the owner of the auction premises (if different) shall be in any way liable for the lot.
- 5) Vehicle Registration Numbers.
  - a) If the seller wishes to sell the vehicle but retain the right to the registration number of the vehicle, it is the seller's responsibility to notify DVCA in writing either on the Auction Entry Form or sooner.
  - b) It shall be the seller's responsibility to take all necessary steps to ensure that the current vehicle registration number is reserved and that a new number is allocated to the vehicle prior to the vehicle being sold at the auction and if he does not do so, DVCA shall not be responsible for any loss or damage whatsoever arising out of the sale of the vehicle.

- 1) The purchase price ("purchase price") payable by the buyer shall be the sum of the following:
  - a) The final bid price, and
  - b) European Union Import Duty, and
  - c) Value Added Tax, if applicable, on the sums described in clauses 7.(1.a) and 7.(1.b) above, and

- 2) The purchase price must be paid by the buyer to DVCA not later than 12 noon on the first working day following the sale.
- 3) No lot may be removed from the auction site until it has been paid for in full and cleared funds are received.
- 4) All lots must be removed from the auction site by midday of the day following the sale.
  - a) Uncollected lots remaining on site after this time will become liable to storage charges of £10 (+VAT) per day or part thereof.
  - b) Removal and transport charges will apply.
- 5) Full payment for all lots must be made to Dorset Vintage & Classic Auctions Ltd. DVCA reserves the right to accept payment by cheques, telegraphic transfers and debit cards.
